Appl. No. : 10/776,037  
Examiner : Marvich, Maria  
Docket No. : 13854.4004

### **Remarks/Arguments**

As requested in the Notice of Non-Complaint Amendment mailed by the Office on April 7, 2006, Applicant submits a complete listing of all the claims. This corresponds with the Response to Office Action mailed on March 16, 2006.

Applicant wishes to note that, according to Applicant's understanding of the rules for filing amendments in reissue applications, the prior version of the Response was in fact in correct form. This is a reissue application. Amendments to reissue applications are covered by **37 C.F.R. § 1.173**, and not 37 C.F.R. § 1.121. Section 173 does not include a requirement that an amendment must include a complete listing of all of the claims. Instead, Section 173 states that an amendment paper must include "the entire text of each claim being changed by such amendment paper and of each claim being added by such amendment paper." Nevertheless, in order to expedite consideration of this amendment, Applicant is hereby complying with the Notice, despite its improper foundation.

In view of the foregoing, a Notice of Allowance is earnestly solicited.
